*36”(H) x 24”(W) Serigraph on Canvas
199 Limited Edition - 20 Artist’s Proofs*

*“ I am intrigued by the confidence,
and brute force of these basically
lazy creatures with their
superior, regal attitude.*

*While I was playing with this
cat on my canvas, I could hear his
roar, stroke his mane and feel the
true vibrations of the African bush.
His eyes stared at me in recognition,
sharing my passion for life.”*
